Re: Wind of Trade LLC
Unauthorized Use of 'OVE' GLOVE Trademark and Design Mark
Our File No. 021466-000900US

Dear Mr. Pan:

We represent Wind of Trade LLC in trademark and other intellectual property matters. Through Joseph Enterprises, Inc., an authorized distributor, Wind of Trade sells, advertises, and markets the **'OVE' GLOVE** hot surface handler. The company owns the **'OVE' GLOVE** trademark (Registration No. 2,683,417) and has used the trademark since 2001. In addition, Wind of Trade has pending design mark applications for the silicon patterns on its hot surface handler product (Application Serial Nos. 77/009,941 and 77/262,146) (hereafter the **"Design mark"**).

Wind of Trade has spent millions of dollars, making millions of impressions every year, promoting its **'OVE' GLOVE** hot surface handler to consumers. Through the substantial efforts and expenditures of our client, the **'OVE' GLOVE** mark and the **Design mark**, have acquired considerable goodwill, and, thus, are two of our client's most valuable assets. To preserve the value of these assets, our client is committed to vigorously protecting the **'OVE' GLOVE** marks from unauthorized use by others.

Our client recently learned that Mostag International ("Mostag") is marketing and selling products that embody the trademark and design mark protected under Wind of Trade's statutory and common law rights. See Exhibit A, product presentations posted on Amazon. Mostag is distributing and selling:

1. **"New Improved Original 'OVE' GLOVE Hot Surface Handler with Non-Slip Silicone Grip"** See Exhibit B-1. **"'OVE' GLOVE-Get a Grip On Hot Pots and Pans!"** See Exhibit B-2.

Mostag repeatedly represents that its product is an "'OVE' GLOVE Hot Surface Handler," an express representation designed to lead the consumer to believe that the product is a genuine **'OVE' GLOVE** hot surface handler, a product designed and manufactured by Wind of Trade and exclusively distributed by Joseph Enterprises, Inc.

Moreover, the design of the non-slip silicon grip is identical to the design of the non-slip silicon grip that Wind of Trade uses as its design trademark, both on the product and on the product packaging, which **Design** mark is the subject of Application Serial No. 77/009,941. At Exhibit C, the Wind of Trade product is being promoted right next to the Mostag product at issue, clearly showing that the silicon grip design is identical to our client's trademark.

2. **"'OVE' GLOVES – Nomex®Made of DuPont NOMEX & KEVALR [sic],Withstands heat up to 540 degrees Farenheit [sic]"** See Exhibit D-1. **"OVE GLOVE (2 GLOVES VALUE PACK) – Extra Long Cuff Provide Extra Protection for Wrist & Arm, Nomex® -- Made of DuPont NOMEX & KEVALR [sic],Withstands heat up to 540 degrees Farenheit [sic]"** See Exhibit D-1.

Mostag's use of **'OVE' GLOVES** or **OVE GLOVE** is an unauthorized use of Wind of Trade's registered trademark. The generic term for this type of product is "hot surface handler" or "oven mitt." It is not **"'OVE' GLOVE,"** which is a registered trademark in the United States and many other countries worldwide.

The **'OVE' GLOVE** mark being used by Mostag to market its oven mitt is Wind of Trade's registered mark (Reg. No. 2683417). The silicon grip design being used by Mostag on its product is identical to the **Design** mark that is the subject of Application Serial No. 77/009,941. Wind of Trade's trademarks are being used by Mostag, without authorization, on identical goods that are sold to the same customers and distributed through the same channels of trade. Customers and prospective purchasers are likely to be confused about the source of the respective goods or, at the very least, to believe that there is an affiliation between Wind of Trade and Mostag.

We demand that Mostag cease all use of the **'OVE' GLOVE®** and **Design** marks on the Internet and withdraw and destroy all print materials that identify Mostag's hot surface handler product as an **'OVE' GLOVE** product, including but not limited to the exemplar marketing materials attached to this letter. Furthermore, in order for us to calculate an appropriate

settlement of the liability of Mostag to Wind of Trade in this dispute, we require that you send us an accounting setting forth the amount of products Mostag has sold under the 'OVE' GLOVE mark. In addition, send us all purchase orders and invoices for such products, along with cost sheets and supporting documentation showing costs you directly incurred in Mostag's production and sale of hot surface handler products under the 'OVE' GLOVE mark.

Wind of Trade seeks to resolve this matter without litigation, though it is entitled to seek statutory remedies, including Mostag's profits, any damages sustained by Wind of Trade, and attorneys' fees and costs associated with an action, if Wind of Trade were forced to litigate this case. Provided that Mostag cooperates fully by advising us immediately in writing that it will cease all use or planned use of the 'OVE' GLOVE mark and the **Design** mark and provide us with an accounting, Wind of Trade would be agreeable to resolving this matter amicably.

This matter is of great concern to Wind of Trade. Please contact us no later than **December 7, 2005** to advise whether you will comply with the above demands. If we do not hear from you by that time, we will assume that you are not interested in pursuing an amicable resolution to this matter and will advise our client of its options accordingly. Nothing in this letter should be construed as limiting our client's rights or remedies.

Sincerely,

Mary L. Shapiro
